

EVS 2018: Newsletter 3

Dear EVS friends,

Time is ticking away...in 1,5 month, we will be together once again! OUI!!!

We would like to share with you some important information.

1. Individual registration

We need to know personal information for everyone attending the event : arrival and departure time, people you share the room with, T-shirt size ... we want to know (almost) everything ☐ ☐

You just have to fulfil the **third sheet of the registration file** that you have used previously. If it's already done and send, congratulations!

If not, we thank you in advance to do it and send it to evenementiel@ffse.fr.

2. Transport by train

Some of the workers of the French railway company (SNCF) are currently on strike and plan to be until the end of June during specific days. Unfortunately, a strike is currently planned on Thursday 7th and Friday 8th in June (but not on Sunday 10th and Monday 11th). Although the conditions may change by the beginning of June, we believe that we must anticipate this situation together.

For some of you who want to join Nantes from Paris (or from elsewhere in France!) by train, please let us know, we will help you find an alternative solution. To do so, just send an e-mail to evenementiel@ffse.fr.

If you have already bought your tickets, SNCF could pay you back when you know that the strike notice is maintained, i.e. one month in advance.

If you haven't bought your tickets yet, or / and you plan to travel by train from your country, it could be a good idea to consider an alternative solution.

In any case, feel free to contact us: we will do our best to help you!

Don't forget that being on strike is part of our traditions ... !

3. Tournament

Let's talk about volleyball!

32 teams are registered : 24 teams in the B-group and 8 in the A-group (we thank Czech Republic team who kindly agree to join the A-group !)

These 32 teams number approximatively 260 people (with non-players companions)

See you very soon
